TEAM

TOGETHER WE RISE 28 DAYS LATER FONT STRONGER AS ONE

The **TEAM Award** goes to the player who loves working together. They help their teammates during practice. They enjoy trying new things and working with others to solve problems. They treat everyone with kindness and respect. They work hard to make the team better, always giving their best to help others improve too and know that together, everyone succeeds.

EVOLVE

FOCUS ON THE THINGS YOU CAN CONTROL

Tennis is a game where the result is not in your hands. You can play your best and lose and sometimes under perform and win. We know that focusing on **BEHAVIORS** will help players to improve as players and people so our Honor Bands system has been designed to recognize these traits.

Bands are only awarded for exceptional behavior only so wear it with pride!
